Zeeland West HS 2015 Grad

Lakeshore Storm 18U

Hello, my name is Courtney Sleeman and I am a senior at Zeeland West High School. I have played for Lakeshore Storm for nine competitive years. Initially, I started playing Lakeshore Storm because my mom is the president but as the years continued; my love of the game grew more and more. Lakeshore Storm has taught me the importance of having a classy attitude no matter the situation, competitiveness that is directed the right way, and how to respect my coaches, teammates, authorities, and other teams. The core values initiated by Lakeshore Storm of respect, integrity, trust, and excellence have all been installed in me to become the best athlete I can be. Next year I will be attending Western Michigan University on a softball scholarship. I will be majoring in exercise science and minoring in business. My hope is that in the future I will be opening my own gym to train other athletes to reach their peak performance.
